Fact Book, 2021-2022 Introduction

We are pleased to present the 2021-2022 Fact Book, although we apologize for the delayed release this year; it has been a challenging few months for our office and the College as a whole! This document continues to serve as a source of *official* data about all facets of the college—admissions, enrollment, finances, faculty, etc. When you need statistical and other kinds of factual information about RIC to report to an external agency, to support college/departamental/unit planning, or simply to fulfill your curiosity, we ask that you consult the Fact Book first.

As comprehensive and detailed as the Fact Book is, we know it will not answer every question you may have about the college. Accordingly, we are able to provide additional information on an ad hoc basis, as time and resources allow. In addition, we are always open to suggestions on how we can make the Fact Book more reflective of the data needs of the Rhode Island College community. We see this as an evolving document.

Finally, we would like to thank the many offices and individuals that help us to prepare the Fact Book each year by providing us with information, verifying the accuracy of the data that appear in the document, and making suggestions for improvement. We would like to acknowledge the contributions of the following and their staff:

Carissa Delizio, Adams Library
Robert Eaton, Budget Office
Kevin Fitta, Capital Planning
Scott Gibbons, Athletics
Stephen Nedder, Controller's Office
Nadia Petrovic, Office of Sponsored Programs
Karen Rubino, Web Communications
Marcia Selinger, Alumni Affairs
David Toms, User Support Services

A special thanks to Tori Whetstone, our Graduate Assistant, for preparing this year's Fact Book.

**Excludes those who took the new version of the SAT.

***SAT scores submitted in 2017 and later are not comparable to those of earlier years, as the College Board modified the scoring methodology for the test.

✦As of 2021, Rhode Island College became test optional and only a small percentage of students submitted test scores. Due to this change in policy, this page will not be included in the Fact Book in future years.

Note: Evidence-Based Reading and Writing scores are identified as ERW. Out-of-State includes all out-of-state students including those classified as MTP/NEBHE/NEN. Starting in 2019, the former MTP program was expanded to include all of New England and the New York City metropolitan area and was re-branded as the Northeast Neighbors program (NEN).

**Information on parental educational attainment is derived from the Free Application for Federal Student Aid (FAFSA). Only students who submitted a FAFSA are included in this total. Therefore, percentages in this table are based on undergraduate students who completed a FAFSA, not on all undergraduate students. Roughly 80% of RIC undergraduates complete a FAFSA.
